Discussion Questions & Activities

Before Reading

- What is a treasure?
- Can something be a treasure even if it isn't worth money?
- Do you have an object that reminds you of someone you love?

After Reading

- What treasures were important to Habbi?
- Which treasure in the story would you most like to see in real life?
- What did the treasures teach us about Habbi?
- Why is it important to remember family stories?
- What is something special that has been passed down in your family or community?

Personal Connections

- If you created a treasure box about your life, what would you put inside?
- What object tells a story about you?
- What memory would you want to save for the future?
- What stories do you hope your family remembers?

Extension Activities

- Draw Your Treasure
- Create a Family or Classroom Memory Box
- Interview a Family Member
- Write the Story Behind a Special Object
